European window and door market

2018

About the report

European window and door market 2018 is a report addressed to managers of enterprises operating in the window and door industry in Europe. This study is aimed to provide manufacturers of windows and doors as well as suppliers of profiles, fittings, glass units, machines, coatings, etc. with the information about the window and door manufacturing volume in individual countries, the material structure, the activity of enterprises from outside the region in sales on the European market. The report presents also the turnover generated by the leading window manufacturers in Europe.

This study contains overall data on window and door joinery and specific data divided into:

- wood windows
- wood doors
- PVC windows and doors
- steel joinery
- aluminium joinery

The analysis comprises the results for 29 European countries:

- Northern Europe: Denmark, Finland, Norway, Sweden
- Western Europe: Austria, Belgium, France, Germany, Ireland, Luxembourg, the Netherlands, the UK
- Central and Eastern Europe: Bulgaria, the Czech Republic, Estonia, Lithuania, Latvia, Poland, Romania, Slovakia, Hungary
- Southern Europe: Croatia, Cyprus, Greece, Spain, Malta, Portugal, Italy

Definitions

This analysis covers the window and door joinery market in 29 European countries, including divided into wood windows, wood doors, PVC joinery, steel joinery, and aluminium joinery.

The above product groups are defined in accordance with the following classifications:

- **Wood windows** – NACE classification Rev. 2: 16.23.11-10 (windows, French-windows and their frames, of wood); CN classification: 44181010 (windows and French windows and their frames, of tropical wood), 44181050 (windows and French windows and their frames, of coniferous wood), 44181090 (windows and French windows and their frames, of other tropical and deciduous wood),
- **Wood doors** – NACE classification Rev. 2: 16.23.11-50 (doors and their frames and thresholds, of wood); CN classification: 44182010 (doors and their frames and thresholds, of tropical wood), 44182050 (doors and their frames and thresholds, of coniferous wood), 44182080 (doors and their frames and thresholds, of other tropical and deciduous wood),
- **PVC joinery** – NACE classification Rev. 2: 22.23.14-50 (plastic doors, windows and their frames and thresholds); CN classification: 39252000 (doors, windows and their frames and thresholds for doors, of plastics),
- **Steel joinery** – NACE classification Rev. 2: 25.12.10-30 (iron or steel doors, thresholds for doors, windows and their frames); CN classification: 73083000 (doors, windows and their frames and thresholds for doors, of iron or steel),
- **Aluminium joinery** – NACE classification Rev. 2: 25.12.10-50 (aluminium doors, thresholds for doors, windows and their frames); CN classification: 76101000 (doors, windows and their frames and thresholds for door, of aluminium).

Quantitative data on manufacturing and foreign trade of windows and materials for window manufacturing are collected in various units (pieces, m², kg). The basic window unit adopted is the O32 window; the data are converted to this window size.

Summary

Chapter 1. Window and door industry in Europe

1.1. Window and door manufacturing and sales in Europe

1.1.1 Window and door manufacturing

1.1.2 Trade with countries from outside the region

1.1.3 Top countries

1.1.4 Leading manufacturing enterprises

1.2. Window and door manufacturing and sales in Northern Europe

1.2.1 Window and door manufacturing

1.2.2 Top countries

1.3. Window and door manufacturing and sales in Central and Eastern Europe

1.3.1 Window and door manufacturing

1.3.2 Top countries

1.4. Window and door manufacturing and sales in Western Europe

1.4.1 Window and door manufacturing

1.4.2 Top countries

1.5. Window and door manufacturing and sales in Southern Europe

1.5.1 Window and door manufacturing

1.5.2 Top countries

Chapter 2. Wood window industry in Europe

2.1. Wood window manufacturing and sales in Europe

2.1.1 Wood window manufacturing

2.1.2 Trade with countries from outside the region

2.1.3 Top countries

2.2. Wood window manufacturing and sales in Northern Europe

2.2.1 Wood window manufacturing

2.2.2 Top countries

2.3. Wood window manufacturing and sales in Central and Eastern Europe

2.3.1 Wood window manufacturing

2.3.2 Top countries

2.4. Wood window manufacturing and sales in Western Europe

2.4.1 Wood window manufacturing

2.4.2 Top countries

2.5. Wood window manufacturing and sales in Southern Europe

2.5.1 Wood window manufacturing

2.5.2 Top countries

Chapter 3. Wood door industry in Europe

- 3.1. Wood door manufacturing and sales in Europe
 - 3.1.1 Wood door manufacturing
 - 3.1.2 Trade with countries from outside the region
 - 3.1.3 Top countries
- 3.2. Wood door manufacturing and sales in Northern Europe
 - 3.2.1 Wood door manufacturing
 - 3.2.2 Top countries
- 3.3. Wood door manufacturing and sales in Central and Eastern Europe
 - 3.3.1 Wood door manufacturing
 - 3.3.2 Top countries
- 3.4. Wood door manufacturing and sales in Western Europe
 - 3.4.1 Wood door manufacturing
 - 3.4.2 Top countries
- 3.5. Wood door manufacturing and sales in Southern Europe
 - 3.5.1 Wood door manufacturing
 - 3.5.2 Top countries

Chapter 4. PVC window and door industry in Europe

- 4.1. PVC window and door manufacturing and sales in Europe
 - 4.1.1 PVC window and door manufacturing
 - 4.1.2 Trade with countries from outside the region
 - 4.1.3 Top countries
- 4.2. PVC window and door manufacturing and sales in Northern Europe
 - 4.2.1 PVC window and door manufacturing
 - 4.2.2 Top countries
- 4.3. PVC window and door manufacturing and sales in Central and Eastern Europe
 - 4.3.1 PVC window and door manufacturing PVC
 - 4.3.2 Top countries
- 4.4. PVC window and door manufacturing and sales in Western Europe
 - 4.4.1 PVC window and door manufacturing
 - 4.4.2 Top countries
- 4.5. PVC window and door manufacturing and sales in Southern Europe
 - 4.5.1 PVC window and door manufacturing
 - 4.5.2 Top countries

Chapter 5. Steel joinery industry in Europe

5.1. Steel joinery manufacturing and sales in Europe

5.1.1 Steel joinery manufacturing

5.1.2 Trade with countries from outside the region

5.1.3 Top countries

5.2. Steel joinery manufacturing and sales in Northern Europe

5.2.1 Steel joinery manufacturing

5.2.2 Top countries

5.3. Steel joinery manufacturing and sales in Central and Eastern Europe

5.3.1 Steel joinery manufacturing

5.3.2 Top countries

5.4. Steel joinery manufacturing and sales in Western Europe

5.4.1 Steel joinery manufacturing

5.4.2 Top countries

5.5. Steel joinery manufacturing and sales in Southern Europe

5.5.1 Steel joinery manufacturing

5.5.2 Top countries

Chapter 6. Aluminium joinery industry in Europe

6.1. Aluminium joinery manufacturing and sales in Europe

6.1.1 Aluminium joinery manufacturing

6.1.2 Trade with countries from outside the region

6.1.3 Top countries

6.2. Aluminium joinery manufacturing and sales in Northern Europe

6.2.1 Aluminium joinery manufacturing

6.2.2 Top countries

6.3. Aluminium joinery manufacturing and sales in Central and Eastern Europe

6.3.1 Aluminium joinery manufacturing

6.3.2 Top countries

6.4. Aluminium joinery manufacturing and sales in Western Europe

6.4.1 Aluminium joinery manufacturing

6.4.2 Top countries

6.5. Aluminium joinery manufacturing and sales in Southern Europe

6.5.1 Aluminium joinery manufacturing

6.5.2 Top countries
